

GLOBAL URANIUM MINING DIRECTORY 2018

**Your definitive guide to Uranium mining
companies worldwide!**

This exciting new Directory covers everything you need to know about world's Uranium mining companies. Whether you are looking to source new sales leads, identify new investment opportunities or monitor the activities of your competitors, **the Global Uranium Mining Directory** is an invaluable reference resource.

This Directory provides you with up to date and unrivalled coverage of the market, the companies that operate within it, the products and services they provide, as well as details of the people that make it happen.

Key Features of the Directory include:

- * Company name and head office address
- * Telephone / fax numbers and email / web addresses
- * Names of senior management and other key personnel
- * Year established, activities and products handled
- * Type of ownership, subsidiaries and associates
- * Production plants and works details
- * Precious metals produced or traded

This Directory will enable you to:

- * **Profile** a market
- * **Build** new business prospects
- * **Generate** new customers
- * **Discover** who your competitors are
- * **Make** vital contacts
- * **Save** the time, money and effort of doing your own research
- * **Identify** alternative suppliers and manufacturers
- * **Source** up-to-date company information
- * **Access** a wealth of quality information on companies and key personnel

Benefit also from being able to:

- * Target **New Leads** and watch them quickly turn into sales
- * Obtain **current contact details** and put together a complete and accurate profile of your customers and prospects
- * Identify coverage and gaps in the market and **stay ahead of your competitors**
- * Find new and alternative suppliers and manufacturers and **assess cost-saving opportunities** for your company
- * Copy all contact data from the CD-Rom or PDF editions as many times as you want

Why spend thousands of hours searching for new contacts?

For just US\$395.00 the Global Uranium Mining Directory gives you instant access to a wealth of accurate information on thousands of companies. Whether you are buying or selling Uranium, this new Directory will make an extremely worthwhile investment. **Invest in a copy TODAY!**
