

INTERNATIONAL DIRECTORY OF ENVIRONMENT ORGANIZATIONS

2017–18

The major 2,000 major environment and conservation organizations worldwide!

This comprehensive directory provides an easy-to-use reference source on all major environment and conservation organizations worldwide - conveniently in one volume.

All of the established environmental and conservation organizations are included, as well as the less well-known organizations. Presenting profile details for thousands of organizations, this new edition is the most comprehensive and up to date directory of environmental organizations, groups, foundations and NGOs worldwide.

Regions covered include: **Africa, Asia and the Pacific, Europe, North and South America and the Middle East.**

The International Directory of Environment Organizations is a indispensable reference work for all who work with the environment – in professional or private life – and who need up-to-date, reliable information on environmental organizations, groups and institutions.

The Directory would be an important reference resource to organizations, public and academic libraries, environment and conservation NGOs, and all organizations and institutions concerned with the environment.

ENTRIES:

* Entries are arranged alphabetically by country.

* Each entry contains the institution's name, postal, internet and e-mail addresses, telephone and fax numbers, details of its function, activities, geographical area of activity, and key executives where available.

* A wide range of activity are covered from agriculture to forestry, wildlife to national parks, climate change to population growth, hazardous materials to health and much more.

* The Directory includes information on all environment and climate change foundations.
