

AMERICAN DIRECTORY OF EDUCATION FOUNDATIONS 2017-18

This new directory of education foundations, trusts, and grant-making NGO's and other similar non-profit institutions provides a comprehensive picture of charitable education activity throughout the USA and Canada!

This comprehensive new directory lists every national and international foundation, NGOs and other charitable and grant-making organizations across North America associated with education.

All of the established education foundations and NGOs are included, as well as some of the less well-known grant-making organizations. Presenting names and contact details for hundreds of institutions, this new directory is the most comprehensive and up to date information on this growing sector.

The Directory would be an important reference resource to education organizations, public and academic libraries, foundations and other grant-making and grant-seeking organizations and institutions concerned with or interested in the work of education in the USA and Canada. The American Directory of Education Foundations 2017-18 is the indispensable reference work for all who work in education and who need up-to-date, reliable information on education sponsorship and institutions.
