

GLOBAL STAINLESS STEEL DIRECTORY 2017

**Need to find a supplier or buyer?
Access thousands of companies instantly with the
Global Stainless Steel Directory 2017!**

The **Global Stainless Steel Directory** is user-friendly directory that contains details of the world's producers and traders of stainless steel bars, wire, tube and pipes in one handy reference guide.

The fully cross-referenced 'Buyers Guide' allows searching for a particular product by country. The index section lists key

personnel in A-Z order, so you can go straight to your contact and company anywhere in the world. The abbreviation section is a handy source for terminology and is particularly useful to those who are new to the industry.

Completely revised for 2017, each company has been carefully contacted to ensure you have the most up-to-date information.

Details Include:

- * Company name and head office address
- * Telephone/ fax numbers and email/ web addresses
- * Names of senior management and other key personnel
- * Year established, activities and products handled
- * Type of ownership, subsidiaries and associates
- * Stainless steel production plants and works details (furnaces, steelmaking plant, refining plant, rolling mills, bright bar plant)
- * Stainless steel produced or traded

5 Great Reasons to order your copy of the Global Stainless Steel Directory 2017:

- 1. Save time**, no more searching the Internet, with the entire Asian Ferro-alloys producers and traders in one handy source;
- 2. The user-friendly A-Z Buyers Guide** means you can source the right supplier by product by country instantly;
- 3. Update** your contact list from the most reliable source in the industry;
- 4. Quickly find** management, sales and production contacts within companies;
- 5. Keep up-to-date** in an ever-changing industry.

The Global Stainless Steel Directory will help you:

- * If you're a consumer looking for stainless steel bars, wire, tubes or pipes – simply use the handy buyer's guide to find the most suitable supplier in seconds
- * If you're a producer of stainless steel looking for the best route to market for slabs, billets or forging ingots – simply look up a specialist trader in the additional buyer's guide to traders
- * If you're a provider of products and services to the stainless steel sector – find essential new business leads.

If you need to source a producer and a trader of a stainless steel product in a specific country, or need a list of potential business partners based on plant capacity, you'll find the **Global Stainless Steel Directory** indispensable. **Order now and purchase the Global Stainless Steel Directory!**
