

EUROPEAN STAINLESS STEEL DIRECTORY 2020

**Need to find a supplier or buyer?
Access thousands of companies instantly with the
European Stainless Steel Directory 2020!**

The **European Stainless Steel Directory** is user-friendly directory that contains details of the region's producers and traders of stainless steel bars, wire, tube and pipes in one handy reference guide.

The fully cross-referenced 'Buyers Guide' allows searching for a particular product by country. The index allows you can go straight to your contact and company anywhere.

Details include:

- * Company name and head office address;
- * Telephone/fax numbers and email/web addresses;
- * Names of senior management and other key personnel;
- * Year established, activities and products handled;
- * Type of ownership, subsidiaries and associates;
- * Stainless steel production plants and works details (furnaces, steelmaking plant, and refining plant, rolling mills, bright bar plant);
- * Stainless steel produced or traded.

5 Great Reasons to order your copy of the European Stainless Steel Directory 2020:

- 1. Save time**, no more searching the Internet, with the entire Asian Ferro-alloys producers and traders in one handy source;
- 2. The user-friendly A-Z Buyers Guide** means you can source the right supplier by product by country instantly;
- 3. Update** your contact list from the most reliable source in the industry;
- 4. Quickly find** management, sales and production contacts within companies;
- 5. Keep up-to-date** in an ever-changing industry.

The European Stainless Steel Directory will help you:

- * Pinpoint key executives
- * Profile a market
- * Build new business prospects
- * Generate new customers
- * Discover who your competitors are
- * Make vital contacts
- * Save the time, money and effort of doing your own research
- * Identify alternative suppliers and manufacturers
- * Source up-to-date company information
- * Keep track of key staff movements
- * Access a wealth of quality information on companies and key personnel worldwide.

If you're looking for stainless steel bars, wire, tubes or pipes - simply use the handy buyer's guide to find the most suitable supplier in seconds. If you're a producer of stainless steel looking for the best route to market for slabs, billets or forging ingots - simply look up a specialist trader in the additional buyer's guide to traders. If you're a provider of products and services to the stainless steel sector - find essential new business leads! **Order now and purchase the European Stainless Steel Directory 2020!**
